Nancy -

I may be having problems with my spam filter but I have tried a number of times to contact Martha and have not heard back. Martha if I'm missing your emails I apologize profusely.

I would very much like to discuss our upcoming plans on Pebble if you still have the time.

Very best -

Nancy -

I know you are incredibly busy and we really appreciated your time last week. I wanted to say thank you and also request a little time for a quick follow up on the phone in the near future. Specifically, I would like to discuss a number of upcoming activities we are planning.

Thanks again.
